Why Choose Us?

The Association of Insurance Compliance Professionals (AICP) is the premier source for all things compliance for insurance industry professionals. Comprised of almost 1,000 industry compliance personnel, state and federal regulators, and attorneys from law firms that specialize in insurance regulatory matters, AICP offers the industry exceptional compliance education, training, designations, job leads, and opportunities to engage with industry experts and regulatory authorities.

AICP
LEADING THE WAY IN INSURANCE COMPLIANCE

student engagement

www.AICP.net

Through partnerships with college insurance and risk management program leaders, AICP's student initiatives offers a bridge from the insurance industry to students interested in insurance careers with:

- $25 annual student membership and reduced registration fees for local meetings and annual conference
- practical insurance compliance-related knowledge to supplement traditional educational programs
- opportunities to engage with industry professionals
- scholarship opportunities to assist with the financial needs of attending college
- industry-recognized AICP designation and continuing education opportunities
- podcasts created specifically for students pursuing a career in insurance

AICP
LEADING THE WAY IN INSURANCE COMPLIANCE

AICP partners with colleges that offer insurance and risk management programs to supplement traditional curriculums with practical content and access to insurance industry leaders.
