**More likely to be innovative, anticipate change and meet or exceed financial targets!**

In a landscape where only one-third of employees feel engaged and just 30% believe their opinions matter, companies of all sizes are missing out on significant opportunities.

Grant Doster, MBA, is dedicated to empowering fellow executives to learn, grow, and excel. With over 20 years of experience as a coach, facilitator, and keynote speaker, he brings a wealth of energy, enthusiasm, and multi-industry expertise from renowned organizations like Pepsi-Cola, Miller Brewing, and The Walt Disney Company. His approach is all about driving results—no shame, no blame.

### Doster Training LLC - CORE TOPICS/SERVICES

**Leadership, Change, Belonging, and Inclusion** - We help leaders and everyone in the organization increase the level of team member belonging, as this is the litmus test for whether there is truly organizational and individual inclusion.

### **Coaching Program - (1:1 and team) -**

We use 360 and/or self-assessments to define deliverables as they are based on real time strengths and blind spots as seen by the coachee and others. These key discoveries serve as a baseline and create the foundation for coaching and ongoing feedback for heightened self-awareness, skill enhancement, and stronger sustainable leadership capabilities.
